September 19, 2014 Discussion Notes Approved

Discussion Highlights:

1. Update on Sexual Violence Task Force
   a. Wendi Delmendo, Chief Compliance Officer, provided an update on the President’s Task Force on Preventing and Responding to Sexual Violence and Sexual Assault
      i. The initial report can be found at: http://www.universityofcalifornia.edu/sites/default/files/report_9152014.pdf
      ii. Recommendations Include:
          1. Develop comprehensive training and education plan that includes mandatory education, awareness programs across UC, and ongoing education for specialized student groups (Fall 2014 and Fall 2015)
             a. UC Davis already provides mandatory training for incoming undergraduate students. Training will soon roll out to additional student groups and staff.
          2. Implement comprehensive communication strategy to educate the community and raise awareness about UC programs, deeply involving students in design and implementation of that strategy (January 2015)
             a. An awareness resource group has been established to coordinate programming.
             b. Currently, articles have been published in the Aggie; and there have been message campaigns posted on electronic message boards around campus.
          3. Establish a comprehensive systemwide website with campus customization capabilities (January 2015)
a. UC Davis already has an awareness website: SAHelp.ucdavis.edu

4. Establish an independent confidential advocacy office for sexual violence and sexual assault on each campus (January 2015)
   a. UC Davis already has an established office.

5. Establish a consistent “response team” model at all campuses (January 2015)
   a. UC Davis already has a response team in place.

6. Adopt systemwide, standard investigation and adjudication standards (July 2015)
   a. Additional work to be done in Phase II.

7. Establish systemwide standard data collection method (July 2015)
   a. This is an ongoing process.

iii. Campus Community Council Discussion/Suggestions:

1. The advocacy office for sexual violence and sexual assault is not easily accessible. A new location should be considered to allow for a more inviting and compassionate atmosphere.
2. Victims need to know what consequences/actions have been taken against his/her perpetrator.
3. If assaulted abroad, victims are provided local support and Davis support. Wendi will clarify specific support.

2. Update on Freedom of Expression (review, questions)
   a. The Freedom of Expression Policy applies to public forums.
      i. The entire UC Davis campus is considered a “public” forum.
   b. If students feel their freedom of expression is being violated they can contact the Ombuds office, Student Affairs and the Compliance office.
   c. Suggestion – Future TA trainings need to include the Freedom of Expression Policy.
